

# Achieving Excellence in CTE:

## The National Career Clusters Institute

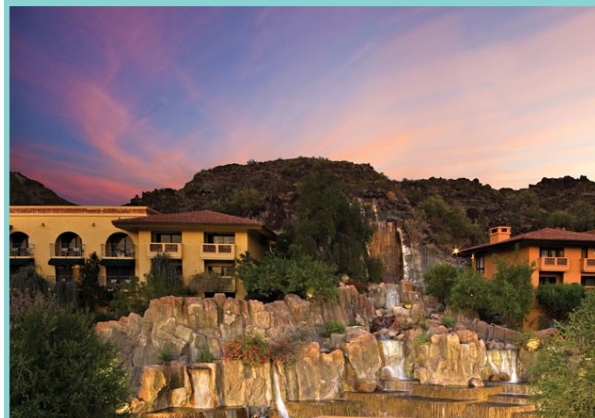

The National Career Technical Education Foundation is proud to present Achieving Excellence in CTE: The National Career Clusters® Institute 2014. The Achieving Excellence Institute will feature the same high-caliber professional development opportunities offered at previous years' Career Clusters Institutes embedded in a new framework and complimented by a number of new features.

The Achieving Excellence Institute includes engaging hands-on workshops and interactive breakout sessions offering new perspectives and techniques on cultivating high-quality CTE in your school, district and state alongside myriad new features, including:

- Keynote remarks from [Dr. Mark Milliron](#), co-founder & Chief Learning Officer of Civitas Learning.
- The Excellence in Action Awards, granted to model CTE programs from across the country and spanning several different Career Clusters.
- Informative pre-sessions on career pathways and National Career Clusters Framework® implementation.
- Breakout sessions and professional development opportunities for administrators, counselors, educators, policymakers, and business partners.
- Tours to local sites demonstrating excellence and innovation in CTE.

There is still time to sign-up for the Achieving Excellence Institute at the special Early Bird Registration rate! Visit the [CTE Blog](#) for more information and updates on this exciting opportunity and follow the link to the [registration page](http://bit.ly/111V2ws) (<http://bit.ly/111V2ws>) to sign-up today!

NASDCTE/NCTEF will also feature consistent updates on social media regarding the Achieving Excellence Institute. Follow our [Facebook](#) and [Twitter \(@CTEWorks\)](#) to keep up to date with the latest developments on the Achieving Excellence Institute and the CTE community at-large.
